

HONOR ROLL

Class Fundraising Makes a Difference

The Class of 1986 is setting record fundraising numbers under the leadership of Frederick A. Kam, M.D. and Dennis P. H. Mihale, M.D., M.B.A. The University of Miami Miller School of Medicine Class of 1986 has secured nearly \$50,000 in pledges from over 40 classmates for medical student scholarships and continues its efforts to achieve their initial \$100,000 goal.

“The reason that we decided to take on this grassroots effort for the Miller School of Medicine is simple,” exclaims Fred Kam. “The need for student scholarship monies is greater now more than ever for the upcoming crop of medical students. I am proud of my classmates who have given back to the school that gave them the opportunity to become medical doctors and pursue their dreams.”

“Taking the opportunity to volunteer some of my time and resources, along with Fred and a few others, has proven to be a worthwhile decision. I am forever

grateful for the opportunity afforded me by the Miller School of Medicine” explains Dennis Mihale.

The Medical Alumni Association (MAA) encourages all classes to follow the Class of 1986’s lead. It is critical today to increase class participation. We must give together to meet the needs of the medical school and enable its continued growth in education, service and prestige.

A heartfelt thanks to all our generous alumni. Let’s make 2006-2007 a banner year!
