

# COVID-19 Vaccine: Parent Resources

Selected by **Nancy Torres**, Director, Family Navigator Program at the Mailman Center for Child Development

## FL Vax Homebound Vaccinations

Homebound vaccinations are available for children with Medicaid or Medicare. Registration takes about 30 minutes to complete and help is provided.

Register [online](#) - or - call 833-930-3672 - or - email: [homeboundvaccines@cdrmaguire.com](mailto:homeboundvaccines@cdrmaguire.com)

## COVID-19 Vaccine: Autism Resources

The Vax for All website provides free resources, including social narratives, texting stories, and a vaccine checklist, to prepare individuals with autism for the COVID-19 vaccine.

Website: [www.vaxforall.com](http://www.vaxforall.com)

## Family Navigator Program

The Mailman Center's [Family Navigator Program](#) provides resources and guidance to families of children with disabilities, helping them navigate complex systems of care.

Call 305-243-5330 - or - email: [mailmanfamilynavigator@med.miami.edu](mailto:mailmanfamilynavigator@med.miami.edu)

## UHealth Pediatric Mobile Clinic

The UHealth Pediatric Mobile Clinic offers the COVID-19 vaccine to underserved communities throughout Miami-Dade County.

Call 305-243-6407 or refer to the [Pediatric Mobile Clinic Monthly Schedule](#) to learn more.

## Vaccine Access Help-Line

This Disability Information and Access Line (DIAL) help-line is available to anyone with a disability who is seeking help for vaccine access.

Call 888-677-1199 - or - email [DIAL@n4a.org](mailto:DIAL@n4a.org), Monday-Friday from 9 a.m. to 8 p.m. (Eastern)
