

Please send your photo in .jpg or .bmp format as an e-mail attachment to photoid@med.miami.edu and in the subject line please indicate ID Picture.

The photo should have a plain white background such as a white wall. The photo should be from the chest up and fill most of the image. No hats, glasses, shadows, special effects, etc.

ACCEPTABLE photos:

UNACCEPTABLE photos:

A woman with long dark hair, wearing a blue top, with a window and greenery visible in the background.	A woman with short dark hair, wearing a white top, with her head size appearing too small in the frame.	A man in a dark shirt, with the camera positioned very close to his face, making his head appear disproportionately large.	A man in a yellow shirt wearing glasses.	 A man in a black shirt, with the photo being underexposed (too dark).
<i>1- Window in background</i>	<i>2- Incorrectly cropped; head size too small in photo</i>	<i>3- Camera too close to subject; head size too large</i>	<i>4- Glasses not allowed</i>	<i>5- Photo is underexposed (too dark)</i>
A man in a blue shirt, with the color appearing unnatural.	A man in a tan shirt, with shadows visible on his face and background.	A woman in a black hijab, with the photo appearing slightly blurred.	A man in a black shirt wearing a baseball cap.	A woman with long dark hair, with her hair obscuring a portion of her face.
<i>6 – Color is not accurate</i>	<i>7- There are shadows on the face and background</i>	<i>8- Photo is blurred</i>	<i>9 - Hats are not allowed</i>	<i>10 - Hair obscures a portion of the face</i>
